

# CREATE A CARD

## Purpose:

- Encourages development of:  
Creativity  
Self expression
- An opportunity to show appreciation to someone special.

## Requirements:

- Light card folded into size of a greeting card (one for each child).
- Scissors (for them to cut shapes, if they wish)
- Glue (to stick things, if they wish)
- Textas, Crayons, Coloured Pencils
- Stickers (to use as a 'reward' when completed)

## Format:

- Explain to the children that this is an opportunity for them to make a card for someone at home (someone special to them).
- The card is to thank this person for something, or express appreciation for something, or tell them how special they are, or similar.
- Decorate the card with lines, shapes, words, pictures.
- Write a message inside the card.
- When they've completed the card, they bring to the facilitator and chose a sticker they would like to place on the card.
- Leave card in safe place to take home after session.
