

My strengths are...

The person I admire most in the world is... because...

What my friends like about me is...

Two things I admire about the person on my left are...

I feel good when...

If you could be anyone in this group, who would it be and why?

Name one quality the person on your right has, that you wish you had...

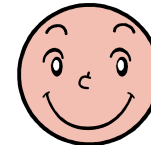

I am good at...

The best thing about me is...

I am getting better at...

I feel important when...

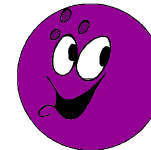

What I would never change about myself is...

I feel successful when...

I am proud that I...

People admire me for...

One thing I have achieved is...
