

SMILES PROGRAM

CHILDREN'S GROUP GUIDELINES

The following guidelines will help us to work well together, learn from each other and have a fun time.

- ♥ We listen when someone else is talking.
- ♥ We don't talk about other group members outside our group.
- ♥ It's OK to have feelings and ideas that are different from other group members. We respect and support each other.
- ♥ If anyone disrupts our group, they take 'time-out.'
- ♥ We wash our hands before touching food and after using the bathroom.
- ♥ We walk inside and keep running for outside.
- ♥
- ♥
- ♥

- ♥ Any information you share will be kept confidential unless you give permission to discuss it with anyone else. The **exception** to this will be if we believe that you or anyone else may be in danger. Before we disclose any information to someone outside our group, we will discuss it with you first.
